

UK AIRPORTS SAFETY WEEK 2019

13 - 19th May

Your Safety, Our Safety

Monday 13th May

De-escalation Training

How to deal with disruptive passengers or just to improve your skills, join a de-escalation training session. This is an 1 hour taster session and front facing staff are encouraged to attend.

Sessions run all day, see *Airwaves* or website below for session times.

Launch of Hidden Disabilities initiative

Terminal (landside) throughout the day - General information on the scheme available all day.

Tuesday 14th May

Wildlife Management Workshop and Equipment

Learn about how our wildlife risks are managed and get to operate some of the equipment used under the supervision of our fire-fighters.

How well do you know your airfield birds? Find out with their 'just for fun' bird quiz!

See *Airwaves* or website below for session times.

Wednesday 15th May

'Spot the Defect' competition

ATC Carpark from 09:00 - 13:00 / Find the faults on the vehicle and you could win £100 pounds of ATF Fuel vouchers!

Alzheimer's & Dementia Training

Alzheimer's training sessions are being held on how to best assist passengers travelling with this disability.

Sessions run all day, see *Airwaves* or website below for session times.

Thursday 16th May

Tour of Air Traffic Control Remote Tower

Located at the PoJ Engineering facility, your chance to check out this ground-breaking new technology.

Two 25 minute sessions at 10:00 and 13:00 / Transport will be provided to and from the terminal.

Friday 17th May

De-Fib Station / Basic First Aid Techniques

New AED units have been installed throughout the terminal and ARFFS are running workshops for staff and passengers to gain the knowledge and confidence to use one should it ever be required.

Drop in between 13:00 - 17:00

Sunday 19th May

Walk the Runway

Join the Jersey Airport Rescue & Fire Fighting Service on a runway inspection and learn what objects they look for and the damage they could cause, see the runway from a different perspective and check out the fire station while you're there.

Time: 08:30 - 11:00

Details via *Airwaves* or website below.

More details on all of these sessions can be found by visiting *Airwaves* or via the QR code
